The Dice Maker: Generate printable dice with images or text on each face of the dice. You can print one or two dice at a time and even mix and match text and images. These are great for foreign language teachers.

Printable Board Games: make board games with images, images mixed with text, or all text. Use the all text version to create printable math board games. There are currently games for over twenty themes but more to come! Two styles and 4 themes to choose from: [Galactic Challenge](#), [Fantasy Park](#), [Cute Animals](#).

A looping Board Game - a racing theme game. More board games: [Bounce Around](#)

Free Crossword Puzzle Maker with images for hints or with text hints. You choose! Generate a free printable crossword with pictures or choose the text only option to create your puzzle. You can make a printable crossword puzzle in seconds, but it looks great. You can even generate a crossword and word search on the same worksheet!

Free Bingo Board Maker: make bingo boards with images or all text. Use the all text version to create printable math bingo games on-line. There are currently 3x3 bingo boards and 4x4 bingo boards.

Crisscross Bingo is another bingo board creator. It creates bingo boards for use in conversational activities.

Big Board Facts

Similar to Jeopardy. Put your who, what, when, where questions onto the board and let students try to answer them for points. Also comes in a "with answers" version that allows the teacher to show the correct answer after the question. The "with Answers" version provides an Answer screen after the question. *(Whole Class Participation Game)*

This is a test question you can use this as text to delete and then replace with your own question. The hard part is that it is very hard to see the beginning or end of this card. If you want to place more text you can make the font size smaller, or you can make the font size larger if you would like. You can place the answer on the card if you like, modify the rules so that another player draws a card and asks the question.

The screenshot shows the LearningApps.org homepage with a yellow bulletin board background. At the top left is the LearningApps.org logo. To its right is a search bar labeled 'Apps durchsuchen' and a navigation bar with 'Apps durchstöbern' and 'App erstellen'. On the far right of the top bar is a language selector with flags for Germany, UK, France, Italy, and Russia, and an 'Anmelden' button. A hanging sign in the top center reads 'Probieren Sie auch unsere speziellen Unterrichtswerkzeuge.' The main area features several pinned items: a list on the left with 'Was ist LearningApps.org?', 'Tutorial anzeigen', and 'Schaufenster'; a 'Rechenturm' app preview showing two towers; a landscape app; a crossword puzzle app; a YouTube video titled 'Was ist LearningApps?'; a Twitter feed on the bottom left with tweets from SylviaCrozemari and edumorph; a 'Join the conversation' button; a 'Word Search' app; a 'Social Media' app with various profile pictures; a 'History' app with portraits of men; and a 'Religion' app with cartoon figures.
